Rovic G. De Leon

Web Developer

Profile

A highly motivated and skilled web developer with a strong foundation in front-end and back-end development. Seeking an entry-level position as a web developer to contribute my expertise in creating user-friendly and visually appealing websites. With a passion for staying updated with the latest technologies and a proven ability to adapt to various frameworks, I aim to collaborate with a dynamic team to deliver innovative solutions that enhance user experiences and drive business growth.
